

PurAire Pyramid^{BS}

Tiny, compact bipolar ioniser for personal use

Treatment Area 20 to 40 M²

Product information	
Air volume	80 m ³ /h
Treatment area	20-40 m ²
Shell material	Aluminium Alloy
Weight	0.86 kg
Product size	205 × 205 × 235 mm
Noise	≤ 40 dB
Filter type	Primary Washable Filter Screen
Colours	Brass, Silver, Black, White
Electrical	
Voltage	220 VAC, 50 / 60 Hz
Power consumption	3 W
Ionisation tube	
Quantity	1 Glass DBD bipolar ionisation tube
Size	60 mm
Estimated tube life	17,000 hours
Warranty	
Warranty	2 Years Unit, 1 Year Ionisation Tube

Persistent odours from cooking, tobacco smoke, body odour, mould, and mildew can build up quickly in enclosed spaces. The Pyramid helps remove these unwanted odours in bedrooms, hotel rooms, clinics, offices, pet shops, and other indoor environments.

Only 8 Inches on a side and 9 1/4 inches high, the compact and versatile PurAire-Pyramid is perfect for desktops, bedside tables, and personal use. It's also well-suited for hospitals, nursing homes, veterinary clinics, hotels, medical offices, laboratories, and any space where unwanted odours may be present. It is available in multiple colours to suit any décor.

The airflow through the filter and over the ionization tube produces powerful bipolar oxygen ions that flow into the room and saturate the indoor space with the ions providing constant and effective purification.
